KIDS SIZE GUIDE

They grew. Again.
Their shoes didn't get the memo!

Growing feet change fast. Keep this to check their size before every shoe purchase.

HOW TO MEASURE

1. Before starting, make sure your child is wearing snug socks.
2. Place the print out on a hard, flat surface and have your child stand against a wall.
3. While against the wall, place their heel as directed.
4. Read the first line past the longest toe.
5. Repeat for the other foot. Select the size that fits the largest foot best!

PRINT AT 100% SCALE
